Pursuant to MCR 7.205(D)(2), the Court orders that in lieu of granting the delayed application for leave to appeal, the matter is REMANDED to the circuit court for correction of the presentence information report and the sentencing information report to incorporate the corrections made by court at the resentencing hearing. The court is also directed to correct the provisions of the judgment of sentence concerning attorney fees and late penalties, which were waived in the court's October 17, 2008 order. In all other respects, the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

This Court retains no further jurisdiction.
